

DARIO AMADE

FRONT END DEVELOPER

ABOUT ME

I'm a self taught junior front-end developer based in London. I'm passionate about building high performant websites, using the latest technologies. I have been teaching myself web development technologies such as HTML, CSS, and JavaScript for the past one and a half years through various platforms such as Udemy, Freecodecamp, and building personal projects. I am looking to build up my skills and find my first full-time role as a web developer.
